Description

STANDARD GRADE THREADING OIL - 5 Litre:
 For use in all bolt and pipe threading machines or as a general purpose neat cutting oil for drilling, or tapping etc.

- Right time to change the oil
1. When oil goes white because of water contamination
 2. When fine swarf of pipes is mixed with oil excessively
 3. When oil goes dark because of age & use

Features

- Essential for long die life.
- Includes ingredients to handle the high pressures generated during threading operation
- Standard grade for general purpose threading
