ORDER CODE:	P030
MODEL:	PDS-2B
Type:	Bush Driver
Number of Pieces (No.):	17
Capacity (mm):	10 - 42

Description

Enables you to remove and install bushings ranging from 10 - 42mm in diameter on cars, trucks, tractors, construction equipment, electric motors and many other components having bushings.

The aluminium construction won't wear the bushing or effect bushing tolerance, which is critical for efficient operation of the engine, transmission and hubs.
