## PB-2 - Hydraulic Pipe Bender

Ø1/2 - Ø2" NB Pipe Capacity  
 Includes Ø1/2", Ø3/4", Ø1", Ø1-1/4", Ø1-1/2", Ø2" Cast Aluminium Formers

### Used Equipment

<b>Ex GST</b>	<b>Inc GST</b>
<b>\$813.64</b>	<b>\$895.00</b>

ORDER CODE:	ZP075
MODEL:	PB-2
Type:	Hydraulic Pipe Bender
Brand:	BRAMLEY
Speed Range:	~
Capacity:	12 Tonne
Motor Power (kW / hp):	~
Voltage / Amperage (V / amp):	~
Branch This Item is Available (State):	Brisbane

### Description

Ex display unit, complete set of formers, shop soiled, old build date.  
 Sold as is

### Features

- 6 cast aluminium alloy pipe formers to suit (1/2", 3/4", 1", 1-1/4", 1-1/2", 2" water pipe)
- Light weight aluminium alloy formers with large angle of arc to support pipe during bending. This results in a bend of superior quality
- Cross section of formers is of "elliptical" form to minimise flattening of bend
- Solid frame fabrication eliminates flexing during bending operation
- Hydraulic ram is easily removed from frame and converts to 12T jack
- Quick & easy to adjust guide pins to suit pipe
- Bend pipe up to a maximum of 90°
- Complete with six formers, two bobbins (support rollers) & pins

### Includes

- Cast Aluminium Pipe Formers:
- 1/2" has 75mm centre line radius
- 3/4" has 105mm centre line radius
- 1" has 140mm centre line radius
- 1-1/4" has 175mm centre line radius
- 1-1/2" has 200mm centre line radius
- 2" has 240mm centre line radius
