#### Description

The industrial duty Toolmaster 3/8" Reversible Air Drill is the perfect addition to any workshop. The planetary gear system maintains high power and low air consumption.

#### Features

- 0-10mm (3/8") Keyed Drill Chuck
- Variable speed throttle for ease of starting a hole
- Side mounted forward/reverse lever for one handed operation
- Lightweight Aluminium diecast body
- Quiet handle exhaust
- Ideal tool for applications in automotive repair, engineering or home workshop

#### Includes

- Chuck key
- High-Flow 1/4" BSPT air fitting
