#### Description

Alumina Zirconia hook & loop backed

This premium material is extremely durable on metal, fibreglass, and hard woods. It is ideal for planing rough sawn lumber or roughing out shapes.

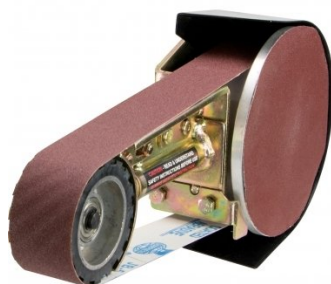

| GRIT CHART                                                                          | Grit | Application                                                            |
