MODEL:	~
Type:	Workbench Modular Light Frame 1800
Size:	~
Suits:	K0368,K029, K030 & K031, K034 & K035

Description

The HAFCO Modular Workbench Frame is a practical lighting solution designed to provide bright, focused illumination across your work area. Featuring a durable steel mounting frame. Perfect for customised lighting, allowing the desired light design to be integrated directly into the frame. The frame features multiple entry points to accommodate the light wiring, ensuring a clean, seamless and sleek

Ideal for workshops, garages, maintenance areas and industrial workspaces, the Modular Light Kit can be fitted to both new and existing HAFCO workbenches, providing improved visibility exactly where you need it.

Features

- Modular Design – Designed to integrate seamlessly with HAFCO modular workbenches.
- Compatible with HAFCO 1800mm Workbenches – Suitable for both new and existing HAFCO workbench configurations.
- Durable Steel Construction – Strong and robust steel frame designed for workshop and industrial environments.
- Improved Work Area Visibility – Provides additional illumination over the workbench surface for improved visibility.
- Easy Assembly – Simple modular construction allows for quick and straightforward installation.
- Space Efficient Design – Mounts above the workbench to provide lighting without taking up valuable bench space.
- Workshop Ready – Designed to withstand the demands of everyday workshop use.
- Flexible Lighting Solution – Ideal for a wide range of assembly, repair, maintenance and workshop applications.
- Upgrade Existing Workbenches – Easily add enhanced lighting to an existing HAFCO workbench.

Includes

- 1 × Light Frame (MWL12)
