Description

The Workbench Modular Pegboard Can Holder is a practical storage accessory designed to securely hold aerosol cans, lubricants, cleaners, spray paints and other workshop essentials while keeping them organised and within easy reach. Designed to mount directly onto a compatible modular pegboard system, it helps free up valuable workbench space and improves workshop efficiency by ensuring frequently used products are always accessible. Constructed from durable steel with a tough powder-coated finish, the holder is ideal for workshops, garages, warehouses and industrial workstations. Its modular design allows it to be easily repositioned or combined with other pegboard accessories to create a customised storage solution.
