Description

The Workbench Modular Backing Pegboard Panel Rail 1200 is a heavy-duty support rail designed to securely mount compatible pegboard backing panels to a 1200mm modular workbench. Engineered to provide a strong and stable foundation, the rail allows users to create a customisable workstation by supporting pegboard panels for mounting hooks, shelves, holders and other modular storage accessories. Featuring a durable steel construction and a 4-hole mounting design, the rail ensures a secure installation while maintaining maximum rigidity. Finished with a tough powder-coated coating, it is ideal for workshops, garages, warehouses and industrial environments where organisation and durability are essential.
