Description

Transform your HAFCO Modular Workbench into a more organised and efficient workstation with the Workbench Modular Tilt Shelf Kit 1200mm. Designed to mount directly onto the modular workbench frame, the angled shelf provides quick visibility and easy access to frequently used parts, fittings and consumables. Supplied complete with three adjustable dividers, the shelf allows you to create separate storage compartments to keep components organised and within easy reach.

Ideal for workshops, maintenance areas, assembly stations, garages and industrial workspaces, the tilt shelf helps improve workflow while keeping your workbench tidy and efficient.

Features

- Designed to suit the HAFCO Modular Workbench System.
- Angled tilt shelf provides improved visibility and easy access to stored items.
- Includes 3 heavy-duty dividers for organising parts and components.
- Adjustable divider positions to suit different storage requirements.
- Ideal for storing nuts, bolts, fasteners, fittings, hand tools and small parts.
- Strong steel construction with durable powder-coated finish.
- Maximises storage without reducing valuable bench space.
- Quick and easy installation using the modular workbench framework.
- Perfect for workshops, garages, manufacturing and maintenance environments.
