#### Description

Alumina Zirconia

This premium material is extremely durable on metal, fibreglass, and hard woods. It is ideal for planing rough sawn lumber or roughing out shapes. These belts have heavy cloth backing and taped butt joints

| GRIT CHART                                                                          | Grit | Application                                                            |
