Description

If you need to remove or install engines and gearboxes from vehicles on regular basis for your mechanical workshop or garage, Hare & Forbes Machineryhouse defiantly has the perfect solution for you to make this job significantly easier, quicker and importantly with more accuracy and control. Simply connect your engine and gearbox combination to a chain block (not included) and lift to the desired height, then it is as easy as unlocking the brakes & wheeling the gantry out for removal or wheeling in position ready to lower for installation.

Features

- "NO BULL CAPACITY" - Australian Tested & Rated To True Working Capacity
- 1 tonne load capacity
- 2540 - 3600mm adjustable gantry height with quick release safety locking pins - both ends
- 2300mm inside frame clearance
- 2600mm outside frame width
- 4 x swivel caster wheels with brake

Optional Accessories

- 1T Girder Trolley
- 1T Chain Block
