Digital Crane Scale with Remote Control - DCS2-1T

1000kg / 2204LB Capacity

On Sale

	Ex GST	Inc GST
	~~$310.00~~	~~$341.00~~
	$280.00	$308.00

ORDER CODE:	C191
MODEL:	DCS2-1T
Load Range (kg):	0 - 1000
Load Increments (kg):	0.5
Load Range (lb):	0 - 2204
Load Increments (lb):	1
Battery Life - With Back Light (hrs):	60

Description

The Hafco DCS2-1T crane scale is designed for accurate and reliable overhead weighing in industrial environments. It is equipped with a high-accuracy load sensor, advanced A/D converter, and an intelligent digital processing system to ensure precise and stable measurements., covering a capacity up to 1000kg or 2204lb.

This light weight crane scale is Ideal for use in multiple applications with scale reading of 0.5kg or 1lb increments. The scale features a large 1.2-inch (30 mm) super-bright LED digital display, providing clear and easy-toread weight values even from a distance and in low-light conditions. An intelligent anti-vibration digital filtering system is used to minimise the effects of load movement and environmental vibration, delivering stable readings within less than 5 seconds.

This Industrial built scale for commercial or domestic use at a realistic price is a combination of sound & proven mechanical design, with today's advanced electronics to provide a superb feature set, its a versatile, reliable, accurate and easy to operate crane scale.

Features

- 1 Tonne (1000kg) Capacity
- High-Accuracy Load Cell Technology for precise measurements
- Class III Accuracy Rating (industrial-grade accuracy)
- Stable Readings in

Includes

- 3 x AA alkaline batteries Crane Scale
- 2 x AAA alkaline batteries Remote Control
