1 YEAR WARRANTY

NO PLUG 415V

Description

Chicago Pneumatic CPM20/10 TD 15kW 20HP Silent Screw Air Compressor with 500L Tank & Dryer.
Model CPM is Chicago Pneumatic's latest series of Screw Air Compressor.
Easy to use, efficient and reliable, the CPM Series meets the compressed air demands of many industries including cabinet making, tire shops, paint shops, car dealers, maintenance shops, etc.
Quiet by design, the CPM can be installed almost anywhere in the workshop, without disturbing your working environment.
CPM is a complete solution for your business. A beautiful all-in-one, powerful and silent screw compressor.
A seamless product in terms of user friendliness, reliability and life duration, this series, “professional screw compressor” for tough and hard working conditions.

Features

- Insulation foam, deflectors and anti-vibration pads assure low noise levels
- Easy and fast maintenance enabled by good positioning of service items: belts, oil and filters
- ES4000 NANO touch controller, Wifi controller
- Designed for continuous duty and very hard working conditions
- Compresses, stores and processes air using under 2m² small footprint

Includes

- 1 Year & 2 Years for Air End with Chicago Pneumatic
