MODEL:	PG450 powergun™
Type:	18V Battery Operated & Grease Gun
Size:	450g

macnaught

Australian Built

2 YEAR WARRANTY

Description

POWERGUN™ 18v Li Ion battery powered grease gun built with Australian conditions in mind. This heavy duty grease gun combines the power and portability of high spec 18v Li Ion battery technology with the robust durability of cast alloy and steel pressure components to produce a product capable of serving in the most demanding conditions. Fitted with an illumination LED, a 1m long flexible grease hose and Macnaught's legendary 3 Jaw SUPERGRIP™ Grease Coupler even the most difficult to locate and access grease points are within reach.

Free standing or slung from the included shoulder strap the gun is easier to handle and generated less fatigue for the operator and the high/low volume valve lets the operator move grease quickly or at high pressure depending on the demand. Incorporating Macnaught's heavy gauge steel 450gram stepped barrel, this grease gun is capable of dispensing from standard 450 gram grease cartridges or via bulk fill and bleeding is made easy by the spring loaded bleed valve. Included in the smart carry case is a spare 18v Li Ion battery for added longevity and portability and a 1 hour fast charger to keep the tool working.

Features

- 18V Li Ion battery technology
- Balanced ergonomic design including strap to minimise operator fatigue
- Switchable for High Volume or High Pressure
- 1000mm flexible grease hose c/w SUPERGRIP™ 3 Jaw grease coupler for more positive fitting to grease nipples
- High Volume/High Pressure valve to give the operator more control
- Wetted parts – Aluminium, mild steel, nitrile rubber
- LED Illumination light to find hidden grease points
- Full 1 Metre long flexible grease hose for better access
- Motor overload protection to save on abnormal wear
- Free standing capability for stability
- Grease hose receiver to support hose while not in use
- 8500psi max pressure
- 450 gram cartridge or bulk fill
- Battery capacity 2 x 3000mAh
- Up to NLGI No.2 Grease

Includes

- 2 x High Spec 18v Li Ion battery packs
- 1 hr fast charger for less downtime
