Battery Operated Grease Gun - L-BG18V

Suits 450g Cartridge

ORDER CODE:	G068
MODEL:	L-BG18V
Type:	Battery 18V & Grease Gun
Size:	450g

Description

A Heavy duty, continuous flow, battery operated grease gun. Supplied complete with carry case, 2 x Ni-Cad batteries, battery charger, meter long extension with coupler. The L-BG18V provides a flow rate up to 50g/min with achievable pressures up to 7,500psi. The L-BG18V grease gun provides the operator with the means to efficiently reduce greasing times which is normally associated with manual grease guns. The continuous flow and instant pressure is achieved with minimal physical effort. The L-BG18V is the ideal tool for the quick reliable greasing of your equipment. The shoulder strap provided help prevent operator fatigue. The extra battery included will ensure you always have a fully charged battery on hand. When using the L-BG18V, the time taken to grease your equipment will now be considerably reduced.
