Workbench Light Frame Kit 1800

Suits K0368,K029, K030 & K031, K034 & K035

ORDER CODE:	K0363
MODEL:	
Type:	Workbench Modular Light Kit 1800
Size:	~
Suits:	K0368,K029, K030 & K031, K034 & K035

Description

The HAFCO Modular Workbench Light Kit is a practical lighting solution designed to provide bright, focused illumination across your work area. Featuring a durable steel mounting frame and integrated motion sensor light, the kit is designed for easy assembly and seamless compatibility with HAFCO workbenches.

Ideal for workshops, garages, maintenance areas and industrial workspaces, the Modular Light Kit can be fitted to both new and existing HAFCO workbenches, providing improved visibility exactly where you need it.

Features

- Modular Design – Designed to integrate seamlessly with HAFCO modular workbenches.
- Compatible with HAFCO 1800mm Workbenches – Suitable for both new and existing HAFCO workbench configurations.
- Durable Steel Construction – Strong and robust steel frame designed for workshop and industrial environments.
- Integrated Motion Sensor – Automatically activates the work light when movement is detected.
- Improved Work Area Visibility – Provides additional illumination over the workbench surface for improved visibility.
- Easy Assembly – Simple modular construction allows for quick and straightforward installation.
- Space Efficient Design – Mounts above the workbench to provide lighting without taking up valuable bench space.
- Workshop Ready – Designed to withstand the demands of everyday workshop use.
- Flexible Lighting Solution – Ideal for a wide range of assembly, repair, maintenance and workshop applications.
- Upgrade Existing Workbenches – Easily add enhanced lighting to an existing HAFCO workbench.

Includes

- 1 × Light Frame (MWL12)
- 1x Motion Sensor Light (HSL80)
