Description

A sturdy Roller Seat with a 150kg weight capacity, sitting on 5 swivel caster wheels to evenly distribute weight and minimise tipping. The thick, padded seat can be adjusted to any height between 450mm-600mm. It also features a tool tray with 5 compartments and slots for spanners and screwdrivers which is elevated for ease of use.

PLUS: New HAFCO Service Tray, which features a removable top tray that can be adjusted to heights between 800mm and 1200mm. It can be used standing, seated, or on the ground, allowing you to use the Service Tray for a wide range of tasks. It is easy to manoeuvre with a sturdy grab handle and four swiveling caster wheels.

Designated screwdriver and socket holders keep your tools where you left them and the two magnetic and three larger non-magnetic compartments keep your parts organised while you work.

PLUS: Deburring tool with telescopic shaft, which easily removes burrs efficiently. Saving you from sharp edges or excess filing. Includes 10 x spare blades.

PLUS: Laser cut stainless steel bottle opener and tray kit, ensuring you're never looking for a bottle opener again.

PLUS: A Magnetic Stubby cooler - keep it on your fridge, tool chest or any metal surface so its always at arms length when you need a cold drink.
