14" Wood Band Saw - BP-355H, 240V

Built to School Specifications
 NSW DOE Item 1A

Please Call

ORDER CODE:	K8104
NSW DOE Item No.:	1A
QLD DOE Item No.:	-
MODEL:	Schools / TAFE BP-355H
Throat Capacity (mm):	345
Wheel Diameter (mm):	355
Height Capacity (mm):	300
Table Size (mm):	440 x 540
Frame Type:	Steel
Motor Power (kW / hp):	1.7 / 2.25
Voltage / Amperage (V / amp):	240 / 10
Full Height (mm):	1910
Blade Code:	W4230A, W4230B, W4230F
Blade Length (mm):	2920 x 6-19 x 0.9
Net Weight (kg):	122

Description

The Hafco Woodmaster BP-355H Bandsaw has been professionally upgraded to meet the specific safety and operational requirements set by the NSW Department of Education. Modifications include upgraded switchgear, emergency stop systems, and enhanced safety controls to ensure compliance with current school-based risk management standards. Each unit is carefully inspected and certified for use in NSW school environments, providing peace of mind for educators and administrators.

Powered by a robust 1.7kW (2.25hp) 240V motor the BP-355H delivers a generous cutting capacity of up to 300mm in height and balanced Ø355mm cast iron wheels reduce vibration and maintain blade speed for a smooth and consistent cut.

For over 40 years, Hare & Forbes Machineryhouse has proudly partnered with schools, TAFEs, and trade training centres across Australia, supplying a wide range of machinery. Throughout this time, we have developed an in-depth understanding of each state's unique requirements, enabling us to deliver tailored, compliant solutions for your next machinery purchase.

Features

- Large cutting height capacity of 300mm
- Ball bearing blade guides
- High / Low rip fence
- Heavy duty steel fabricated frame
- Cast iron table tilts to 45°
- Rack & pinion adjustment on top blade guide
- Quick-release blade tension mechanism
- Blade tension indicator with viewing window
- Blade guards with safety interlocked micro-switches
- Safety magnetic switch with emergency stop
- 100mm dust collector port
- 1.7kW / 2.5hp 240V induction motor

Safety Features

- Magnetic NVR on/off switch
- Micro-switch protection on hinged blade guard doors
- Keyed isolation switch - PWD approved

Includes

- High / Low ripping fence
