HAFCO GRAPHITE MARKER KIT - HM500

MULTI-PURPOSE 2.8MM 10P/C

ORDER CODE:	M0031
Model:	HM500
Marker (Type):	& Pencil
Marker / Refills (Qty):	10

Description

The HAFCO HM500 Graphite Marker Kit is a versatile marking solution designed for tradespeople, construction, workshops, manufacturing and DIY applications. Featuring a durable 2.8mm HB graphite lead, the marker provides clear and reliable marking across a wide range of common materials.

The kit includes 10 assorted graphite refills, allowing you to keep marking without constantly replacing the marker. The integrated magnetic holder provides convenient storage on metal surfaces, while the pocket clip makes the marker easy to carry and keep within reach.

With its compact design, replaceable refills and multi-surface capability, the HM500 is ideal for marking, measuring, cutting, drilling and general layout work.

Features

- 2.8mm HB graphite lead for clear, consistent marking
- Deep-hole Mark up to 40mm deep in any hole 5.6mm wide
- Holster-style cap enables true one-handed operation for quick access, use and return
- 10 assorted graphite refills included for extended use
- Multi-purpose marking across a wide range of materials
- Built-in magnetic holder for convenient storage on metal surfaces
- Integrated sharpener for maintaining a precise marking point
- Pocket clip for convenient carrying and quick access
- Replaceable graphite refills help extend the working life of the marker
- Compact and ergonomic design for comfortable everyday use
- Ideal for construction, workshops, manufacturing, maintenance and DIY applications

- Suitable Surfaces
- Wood
- Metal
