Model:	CTG508
Length (mm):	508
Depth of Contour (mm):	45

Description

These contour gauges are great for duplicating edges or corner contours on tiles, sheet metal, wood, carpet and more. Simply press the gauge against any object and then trace this contour shape onto another surface.

This gauge is made from impact resistant plastic, and features edge magnets to keep gauge in place on metal surfaces. Convenient and easy to use, this contour gauge is a great tool for hobbyists, metal workers, furniture builders and more!

Features

- Made from impact resistant plastic
- Lever lock & release clamp
- Metric & imperial scale
- 45mm maximum contour depth
- Magnetic rear side
