Neat Cutting/Threading Oil - XDP900

5 Litre

High performance

On Sale

	Ex GST	Inc GST
	~~$70.00~~	~~$77.00~~
	$62.73	$69.00

ORDER CODE:	O006
Size (Litre):	5
Grade (Type):	Standard
Threading Material (Type):	General Purpose

Australian Built

Description

XDP900 is a high-performance neat oil for medium and severe cutting operations. It's suitable for cutting ferrous (middle to high alloyed steel) and non-ferrous materials (Aluminium, copper and brass). XDP900 belongs to the latest technology that is based in chlorine, active sulphur and heavy metals free additives. The product is a low mist and low odour formulation with excellent performance due to the presence of Extreme-Pressure additives and very highly refined mineral oils.

Application
XDP900 is a direct use product that needs to be filtered to lengthen its lifetime. The product can be used either in individual machining centers or in central systems.

Features

- Chlorine and active sulphur free technology
- High performance
- Improved Tool life
- Low mist formation
- High flash point
- Low viscosity
