Description

Nexus GRIP Hi-Vis Gloves are made from high-visibility 13 gauge yellow polyester and coated with a sandy nitrile palm coating for superb oil, wet and dry grip while remaining dextrous, flexible and breathable. Lint-free and with superb Level 4 abrasion resistance, the Nexus GRIP Hi-Vis are made for general assembly, light and medium fabrication, inspection, maintenance, construction, mining and engineering, among other purposes. They are bright for use in low-lighting conditions and night-time work.
