Laser Guide System - LG-PS

Fast & Accurate Aligning Tool
For Your Punching Station

Limited Stock

Ex GST	Inc GST
$420.00	$462.00

ORDER CODE: P163

Description

The new LG-PS laser guide system suits S & SD Sunrise punch & shear machines. It is a very accurate guide system for your punching station that projects two intersecting laser lines on centre & direct onto your work-piece, for quickly aligning your scribed lines.

Features

- No modification necessary for S & SD Sunrise machines
- Battery operated laser
- On/Off switch mounted on main body
- Includes die aligning tool

- Please Note: Requires 2 x AAA batteries
