Description

The HERO deburring discs represent a completely new tool for deburring and rounding sheet metal and metals. Highest abrasive density combined with extreme flexibility of the grinding stock is made possible by the new arrangement and slitting pattern of the grinding flaps.

Features

- 80G Bora7 Ceramic
- Bora 7 Ceramic, designed to outlast most other ceramic abrasives
- Unique slitted pattern of grinding flaps provides extreme flexibility
- Perfect for deburring or large corner rounding
- Made in Germany
