## Description

Quick, Convenient Charging for Rechargeable Verniers

The 31-170USB Magnetic Charging USB Cable offers quick, reliable charging with a secure magnetic connection. Just snap it on and charge — no fiddly plugs or worn ports. Perfect for workshops, garages and home offices, it's an easy way to keep your rechargeable verniers powered and ready for use.

## Features

- Secure magnetic snap-on charging
- USB-A power compatible
- 550mm length cable
- Designed for rechargeable digital verniers
- Ideal for adding extra charging points to benches or offices
