Description

Record Power RPDVD05 Step by Step DVD - Guide to Finishing on the Lathe with Alan Holtham

In this programme Alan Holtham demonstrates two different techniques for finishing work on the lathe.
Achieving a good finish is perhaps the most important part of the making process, but it is one that is often rushed by the turner, spoiling what would otherwise have been a nice piece of work.
All techniques are shown in real time so you see exactly how it is done.

Duration 45 minutes.
