Description

If your in need of doing some small sand or bead blasting, this SB-100 is an excellent little portable entry level sandblasting cabinet to suit many small jobs. Features a full view acrylic protective screen & internal low voltage worklight to provide a brighter view on what you are about to blast clean. The safety hand gloves allows you ample access to hold & support your work with one hand whilst holding the sandblasting gun with flexible hose with your opposite hand.

Features

- A must for abrasive cleaning and bead blasting of all types of parts
- Portable but rugged powder coated steel cabinet
- Acrylic protective screen with replaceable shield
- Complete with internal low-voltage light, extra replacement shield, gloves, gun and ceramic tips

- Recommended to be used with an optional dust collector system
- Recommended to use 1 x 25kg abrasive grit

- Please Note: Regular maintenance to clean dust collector filter bag is required
