Description

Our heavy-duty industrial steel storage cupboards are built tough to withstand the toughest workshop environments. Being big brother of our SC-1800 cupboard we have increased the size to 1100mm wide x 653mm deep x 2000mm high making it the perfect choice for storing larger items in your workshop. Its industrial quality & sturdy construction making it capable of handling heavy loads with a very generous shelf load capacity of 150kg per shelf & the drawers capable of handling 75kg per drawer while keeping goods secure against unauthorised access with a 3-point locking system. The powder coated steel frame & commercial quality fabricated components provides maximum rigidity for the most demanding industrial applications.

This cupboard comes standard with 4 shelves, 1 x 100mm deep drawer & 1 x 200mm with all being adjustable allowing you the ability to set up the positions of the shelves or the drawers to suit your application, optional extra drawers & shelve packs are available for further customisation.

Features

- Ideal for workshops and industrial applications
- Key lockable doors with 3-point lock design
- 4 x Shelves - adjustable in height with 150kg load capacity each
- 1 x 100mm Deep Drawer with ball bearing slides and 75kg load capacity
- 1 x 200mm Deep Drawer with ball bearing slides and 75kg load capacity
- Drawers come standard with 10 steel dividers per drawer
- 600kg maximum total load capacity
