Description

The WVF-265 wood working vice guide is an old favourite; vice guides with an ingenious quick release feature for rapid re-setting of the jaws. The mechanism is designed to be hidden underneath your work bench & operates very efficiently as well, all you have to do is apply a half turn to release the screw and the vice jaws slide in or out. Construction is impressively strong with only steel and cast iron being used in manufacturing this unit.

Features

- Easy to operate quick release for rapid re-setting of jaws
- Steel and cast iron construction
- Please Note: Timber vice jaws and handle are not included
