BuildPro™

1 YEAR WARRANTY

Description

These precision machined angle brackets hold materials at 90°. The holes and slots combination allow for infinite adjustments in fixturing.

For heavy duty applications, please see Riser Blocks.

Insert V-Block to Right Angle Bracket holes to hold round stock in the vertical position.

The very practical, modular design of the BuildPro® Table makes it easy to set-up and tear down for job at hand, big or small. Save time and money by holding, positioning and locating quickly and easily with a wide variety of BuildPro® clamps and accessories.

All BuildPro® Tables have 16mm thick steel plate with Ø16mm holes in a 50mm grid pattern. All tables, except BuildPro® MAX, have 40mm slots between plates.

Features

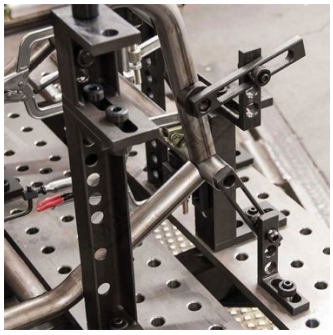

- All plates are 12mm thick
