Description

Tired of the mess of string and paper wrappings of china markers?
Are you constantly replacing "half-used" china markers because they break too easily? Then, the TRADES-MARKER® from Markal® is the ANSWER.
TRADES-MARKER is the all-purpose marker that works like a china marker, but without the mess and hassles of china markers.
Housed in a durable plastic barrel, TRADES-MARKER features a push-button advancing mechanism that allows the user to advance the stick as needed.
Reduce tip breakage by easily retracting the marker back into the holder when not in use. Also, the durable plastic holder includes a convenient pocket-clip.
Offered in five highly visible colours for instant recognition, TRADES-MARKER makes clean, accurate marks that are also weather- and moisture-resistant.
So stop the madness and mess of china markers and try a TRADES-MARKER today!
