HAFCO

1 YEAR WARRANTY

Description

Finally, a heavy duty welding trolley capable of genuinely storing up to 3 machines, have your MIG, TIG & Plasma cutter all within easy reach on the all new Hafco Tri-cart.

Constructed with super strong 2mm steel making it no lightweight, weighing in at 36kg. it is solid enough to house up to 3 machines including a E size bottle, it is even capable of holding dual D size gas cylinders allowing you to set up multiple welders on the one cart.

With adjustable top & middle shelves giving you the flexibility to adjust the shelf height to suit most modern machines or position your machines to your liking, along with solid 125mm caster wheel making it easy to move around your workshop with ease.

Features

- Triple tier design for a true multi-machine setup
- Adjustable middle & top shelf heights
- Heavy duty 2.0mm steel construction
- Large access holes for power leads, gas hoses & on/off switches
- Generous shelf size of 520 x 296mm
- Ability to hold up to two D size gas cylinders
- Heavy duty 125mm castors wheels, 2 with brakes
- Storage hooks on the side of the trolley for torches, leads or helmets
- Total height 960mm x 425mm wide
- Note: Not recommended to use over E size gas cylinders on cart, larger gas cylinders may cause cart to topple when moved

Includes

- Dual chains for gas bottles
- 4 x Torch and lead holders
