Mobile Welding Fume Filter - Twin Arm - Clear Air

Dual Stage HEPA Filter System
High Volume 2600 m3/h Air Flow

On Sale

	Ex GST	Inc GST
	~~$7,250.00~~	~~$7,975.00~~
	$6,890.00	$7,579.00

ORDER CODE:	W2711K
MODEL:	Clear Air D-H13
Extraction Arm/Hose Length (Metre):	3 x 2 Arms
Extraction Arm Diameter (mm):	160
Air Flow (m3/h):	2600
Filtering Area (m2):	46
Filter Type:	HEPA H13
Collector Capacity (L):	~
Voltage / Amperage (V / A):	415
Motor Power (kW):	2200
Main Unit Size (w x l x h) (mm):	870 x 790 x 1335
Nett Weight (kg):	180

Description

METALMASTER ClearAir mobile welding fume filter unit is a compact fume extraction and filtering unit designed for efficiently filtering of welding fumes.

Integrated spark separators and first stage metal pre-filters minimise the fire risk during the welding processes.

The air that is output from the unit has been filtered through HEPA H13 Class filters compliant with EN1822:2019 and ISO 29463 standards, so it is fully respirable clear air. (99.95% dust separation for 0.1~0.2 micron particles)

The unit can be used for Mig, Tig & Arc welding on all materials that produce intense fumes and minor dust during the process.

The unit is supplied complete with 2 x CleanAir Exo-Joint high velocity fume extraction arm ensuring the highest airflow efficiency with low drag characteristics. The CleanAir Exo-Joint arm is up to 56% more efficient than an arm with a pleated hose and internal support.

Features

- Dual stage filtering
- High volume 2600 m3/h air filtering capacity
- HEPA H13 filtration providing respirable clear air back into the working environment (99.95% dust separation for 0.1~0.2 micron particles)
- 2 x 3 metre arms with exclusive Exo-Joint High velocity extraction arm (160mm Diameter)
- Contamination free filter changing from clean air side
- Silent operation - less than 76dBA
- Compact design, space saving solution
- Dirty filter warning light
- Inlet Spark arrestor
- Fully mobile for flexible usage
- 415V 10amp power

Includes

- HEPA H13 Class Filter
- Metal Pre Filter

Optional Accessories

- Replacement HEPA H13 Filter (W2713)
- Replacement Metal Pre Filter (W2714)

Specific Features

3 Metre Arm Extended

Rear View

Right Side Door Access Panel

Dual H13 Hepa Filter

H13 Hepa Filter Assembly

Pre Filter & Hepa Filter System

Left Side Door Access Panel

Dual Exo Joint with Gas Strut Supports

Exo Centre Arm Joint

Air Flow Control Valve

Fume Extraction Head

Quick Action Door Panel Locks

Dirty Filter Light Indicator

Inlet Spark Arrestor

Push Handle

Power Isolation Switch
