BRAND NEW MACHINE WITH MISSING STAND

Conditions:
PICK UP ONLY, MELBOURNE STORE
12 MONTHS RTB WARRANTY

The BP-355 bandsaw sits in the middle of our entire wood bandsaw range respectively for size & cutting capacity at 345 x 245mm, and its price definitely represents excellent value. So if you're looking for a bandsaw that is structurally robust and has all the great features that most require, maybe this bandsaw is the machine for you.

Not only is this machine structurally robust it also has curved blade guard doors and cabinet stand giving it the pleasing aesthetic appeal, and that won't look out of place in any workshop or shed. The BP355 is equipped with many features like ball bearing blade guides to ensure smooth blade rotation & accuracy, safety magnetic power switch that in an event you lose power whilst operating the machine it won't automatically start up when power is restored, it requires you to re - activate the switch when your read to cut again.

The blade tension guide indicator makes it very easy for the operator to adjust when swapping over the balde, simply look through the access panel on front door and wind the tension up so it aligns with the blade size you are currently going to install. It has a fair size 535 x 435mm cast iron table with an aluminium rip fence and mitre guide to help you cut straight or angles to the required size. The table mounting trunnions are adjustable to get your tale to tilt from 90 to 45 degrees and has a quick action locking lever

The dust extraction port located at rear of machine will remove most of your internal dust once connect to your dust extractor. The 2-speed pulley system rotates at 420 or 840m/min and his driven by a powerfully matched 1500W / 2hp 240V motor.
